New Cal Farley's Board Leaders Elected

AMARILLO, September 25, 2007 – The Cal Farley's organization is pleased to announce the election of several volunteer board members to new leadership roles. At the annual board meeting held on September 19, 2007, Dr. Bud Joyner was elected as the new board chairman of Cal Farley's Boys Ranch and Tom L. Roach III was elected vice chair. Dr. Avery Rush III and Billy Attebury were elected secretary and treasurer respectively. Their two-year terms begin October 1, 2007.

"It is an honor to serve Cal Farley's, and humbling when considering the great legacy of past leaders and their efforts to provide a safe haven and opportunities for young people in need," Dr. Joyner said. "The importance of the Cal Farley's organization to our community and area is impossible to measure, for how do you place a value on the thousands of boys and girls whose lives have been changed, plus all the lives they have touched."

According to Dan Adams, president and CEO of Cal Farley's, Bud's depth of experience "makes our objective to be a leader in services to children and families more tangible. I trust that Tom's role as vice chair will prove to be an experience that keeps him interested and engaged with Cal Farley's for years to come."

Mr. Roach appreciates the longevity of Cal Farley's and its impact on a broader population of families. "Mr. Farley and his family have provided a 'shirttail to hang onto' for many young boys and girls over the years," Roach said, "and these 'shirttails' now extend past the Boys Ranch campus onto the campus of Girlstown, U.S.A. and to several Texas cities with our community-based services."

Alan Roberson is the outgoing board chairman. "Alan's relationship with this organization is long standing," Adams said. "His commitment to Cal Farley's is unquestioned based on his past four years as our board chair. I look forward to his continued involvement on both the Boys Ranch and Foundation boards."

Cal Farley's provides professional programs and services in a Christ-centered atmosphere to strengthen families and support the overall development of children. Today, more than 275 boys and girls live at the two communities of Cal Farley's Boys Ranch and Cal Farley's Girlstown, U.S.A. Children from pre-school through high school are accepted with no charge to their families. The Cal Farley's programs provide a variety of academic, vocational, spiritual and extra-curricular activities for the children in care.
